PROJECTS

Jamela (Investor Planner App)

1 month

Investor Planner App provides the facilities of matching your financial goals and objectives with your financial resources.

Video Web Streaming

2 months

The new video streaming system will have all the functionality to broadcast live video. The corporate can just login to our website and register. Subscribe fee will be charged to such programs on a monthly basis which will generate revenue on a regular basis.

Inventory Management System

2 months

The IMS is a real-time inventory database capable of connecting multiple stores. This can be used to track the inventory of a single store or to manage the delivery of stock between several branches of a large franchise.

Wifi Penetration Testing

1 month

In this project we have demonstrated how a secured network can be cracked simply with the help of kali tools.

Campusshala.com

July, 2019 - Present

Campusshala is an internship and online training platform. The website helps students to find internships with organizations in India.
